Smile

After starting a new diet, I altered my drive to work to avoid passing my favourite bakery.

I accidentally drove by the bakery this morning and as I approached, there in the window were a host of goodies.

I felt this was no accident, so I prayed....."Lord it's up to you, if you want me to have any of those delicious goodies, create a parking place for me directly in front of the bakery." And sure enough, on the ***eighth*** time around the block, there it was!!!! God works in mysterious ways!! God is so good!!
