Smile

Some signs that you are no longer a kid:

- Your back goes out more than you do
- Your arms are almost too short to read the newspaper
- You sing along with the elevator music
- People call at 9 pm and ask, "Did I wake you?"
- The end of your tie doesn't come anywhere near the top of your pants
- You can't remember the last time you laid on the floor to watch television
- You have a party and the neighbours don't even realize it
