### **Smile**

"I'm a millionaire," the boastful parishioner testified, "and I attribute it all to the rich blessings of God in my life. I can still remember the turning point in my faith, like it was yesterday:

I had just earned my first dollar and I went to a church meeting that night. The speaker was a missionary who told about his work. I knew that I had only a dollar bill and had to either give it all to God's work or nothing at all. So at that moment I decided to give all I had to God. I believe that God blessed that decision, and that is why I am a rich man today."

The congregation applauded, and as he took his seat a little old lady rose and said, "I dare you to do it again!"
