Eye Glasses

Do you have old eye glasses laying around?? Cynthia Robson is collecting eye glasses. They are sent to Ottawa to be sorted cleaned and prescription identified. After this they are distributed across northern Canada. A team of eye doctors fly in and check peoples' eyesight. The person who needs a pair will be fitted right on the spot. No charge. So, by us donating our old, used glasses. You are giving a person better sight.

Tremor Support Group

Will meet on Thursday, September 26th at 7:00 pm. A local pharmacist will be available to answer any medication questions. Contact Kelly Perry for details.

Smile

People say money is not the key to happiness, but I have always figured, if you have enough money, you can have a key made.
