### **From the Ministry & Personnel Committee**

The Ministry & Personnel Committee is responsible for supervising and managing all church employees and contractors. We will be performing personnel annual reviews this month and preparing related budgets for the upcoming year. Our committee updates job descriptions and does staff reviews annually. Should a member of the congregation have any feedback concerning any member of our staff or contractors, please submit it in writing to Linda Stapley, Chairperson of the M & P Committee ([inny.stapley@gmail.com](mailto:inny.stapley@gmail.com)) It's important that feedback not be anonymous or undocumented so that it can be dealt with appropriately. Thank you for your support of this important committee and for respecting our desire to create a healthy and vibrant work environment.

### **Smile**
