### **Smile**

A man, his wife, and his cranky mother-in-law went on vacation to the Holy Land. While they were there, the mother-in-law passed away.

The undertaker told them, "You can have her shipped home for \$5,000, or you can bury her here in the Holy Land for \$150."

The man thought about it for a while and told the undertaker he would just have her shipped home.

The undertaker asked, "Why.... why would you spend \$5,000 to ship your mother-in-law home when it would be wonderful to be buried here and spend only \$150?"

The man said, "A man died here about 2,000 years ago. He was buried here and three days later, he rose from the dead."

"I just can't take that chance."
